Asthma Cure Free!

Asthmalene Brings Instant Relief and Permanent Cure in All Cases.

SENT ABSOLUTELY FREE ON RECEIPT OF POSTAL

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. Wells, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment the trial acted like a charm. Send me a full-size bottle."

We want to send to every sufferer a trial treatment of Asthmalene, similar to the one that cured Mr. Wells. We'll send it by mail POST-PAID, ABSOLUTELY FREE OF CHARGE, to any sufferer who will write for it, even on a postal. Never mind, though you are despairing, however bad your case, Asthmalene will relieve and cure. The worse your case, the more glad we are to send it. Do not delay. Write at once, addressing DR. TAIT BROS. MEDICINE CO., 79 East 120th St., N. Y. City. Sold by All Druggists.

SCHOOL BOARD MEMBERS VISITED NIGHT SCHOOL.

Were Mightily Impressed With Its Practical Value and Good Results.

After the special meeting of the School Board Friday night the members having completed their duties before 8 o'clock, several of them visited the night school, in company with Prof. H. V. Hotchkiss. A short time was devoted to each class room. The work of the teachers and pupils was closely watched and the Board members, many of whom were at close quarters with the institution for the first time, expressed themselves enthusiastically, regarding the value of the school and the work it is doing. In the three rooms the pupils were all orderly, earnest and studious. The results, of course, varied with the particular branches of study that were followed and the greatness of the obstacle each particular pupil had to overcome.

Prof. Fritch, who has charge of the pupils who are having difficulty in wrestling with the constant complications that face them in the acquisition of a working knowledge of English, had the room that was, perhaps, the most interesting to the visitor. In this room the pupils ranged in size and age from boys of 12 to men of 40, and there were also several young ladies and a woman of middle age.

These were mostly Germans and their efforts were being directed in learning to read and write, English.

The method employed was the reading of simple English sentences to them, teaching the English equivalents and so leading gradually into the taking up of lessons in the readers for beginners. "The earnestness of the efforts that were seen, the difficulty that the tongues accustomed to German sounds had in grasping the sounds of the strange English causing great youths and grown men to stumble hesitatingly over sentences that would have been second nature to a four-year old American child, was among the impressive things that two night school brought out."

Nearly all of the pupils had done a hard day's work. Yet they are in their places night after night, patient, industrious and ambitious, trying hard to improve themselves and become good citizens, of the class by reason of their perseverance and intelligence that is most needed by the country.

The members of the Board who saw the work were mightily impressed with it and more than one was heard to say, before he left the high school, that the abolition of the night school would be nothing short of a calamity.

Strenuous Labors of the Board Began Early and They Were Much Fatigued.

The strenuous labors of the City Commissioners began at 5 a. m. Tuesday. This was because they were acting as the Board of Elections. The law requires the Board to convene at 5:30 a. m. on election day. Mr. Wilson was on hand at 5:20, and made a long credit mark for himself on the Board's record. Messrs. McMillen and McFarland did not arrive until 6 o'clock. They had to visit a couple of voting booths each and get the work started before going to their office. Mr. Houser was on time with Mr. Wilson. "Makes me think of when I worked at the 'Buckeye' he said, sleepily to his colleagues.

"Makes me think of when I was in the grocery business," said Mr. Wilson.

Thereupon they put their feet a little nearer the gas fire and smoked complacently.

"My, but I'm glad my chin whiskers are getting a good start; I'm nearly frozen," said Mr. McMillen, puffing from the labor of climbing the stairs, as he reached the office.

"This is the hardest work I've done yet," said McFarland, who arrived at the same time.

"Light vote," said somebody, but the others did not hear. They were all dozing before the fire.

THE COMPANY REORGANIZED.

S. & O. Engraving Plant Getting Ready to Resume.

The partial destruction of the plant of the S. & O. Engraving Co. by fire recently has necessitated a reorganization of the company which has just taken place. The officers are now: Z. V. Rogers, president; W. S. Stillwell, secretary and treasurer. These and G. A. Ley, Chas. A. Ley and Frank Kittinger constitute the Board of Directors. The company is making all haste to resume work, and expects to be ready for business again Nov. 18. The loss by fire was \$3,000.

CARD OF THANKS

I desire to return my sincere thanks to the officers of Provident Council No. 16 Royal Arcanum for the prompt payment of the amount of the benefit certificate, \$3,000 held by my late husband in that organization, also for kindness received which I can assure them were fully appreciated. Of the several Fraternal Orders of which my late husband was a member the Royal Arcanum was the first to pay its indebtedness. I hope the order will long continue to prosper to carry on the noble work it has been doing for the past 24 years as I shall always speak in the highest praise of the Royal Arcanum. Respectfully,
LIZZIE MAY STEINER.
Akron, O., Nov. 4th, 1901.

The Ladies' Missionary Circle of the First Baptist church will hold its regular monthly meeting Wednesday afternoon at 2:30, at the home of Mrs. D. O. Webster, 315 Bowery st. Members will please observe the hour for meeting, and be prompt. A cordial invitation to all.

LACK OF REST.

The Man Or Woman Who Falls to Get Refreshing Sleep Is On Health's Down Grade—Akron People Know the Remedy.

It is a feature of the worry and hustle of present day living that wakefulness and restlessness beget headaches—falling strength—people go at their work in a listless-half-hearted way. Ordinary treatments have no effect because they have not the secret power of organizing nerve force peculiar to Dr. A. W. Chase's Nerve Pills, the great success of which is attested by residents of Akron. Mrs. L. Crawford, of No. 214 North Maple street, Akron, Ohio, says: "Dr. A. W. Chase's Nerve Pills are certainly good. I got some at Lamparter's Drug Store on S. Howard street, as I was feeling weak, nervous, easily upset and unable to get good sleep at night, consequently I tried all day. The medicine built me right up every way. I feel strong; the nerves are steady and I sleep well again. I am only too pleased to recommend the medicine."

Dr. A. W. Chase's Nerve Pills are sold at 50 cents a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

To Appropriate Land For a Sewer.

Routine Matters and How Council Disposed of Them.

Ordinances to issue bonds amounting to \$2,000 for a sewer in Payne ave.; \$900 for a sewer in Crouse st.; \$1,100 for a sewer in Thornton st.; \$1,400 for a sewer in Summer st.; \$1,200 for improvement of Brown ave., and \$1,600 for a sewer in Cedar st., were passed by Council Monday night.

An ordinance to appropriate lands for a main trunk sewer in districts 3 and 10 was also passed. This sewer will be in the north-eastern part of the city, and the property to be appropriated is a strip 20 feet wide and a mile long.

Other ordinances passed were for the establishing of the grade in Second ave., from Arlington st., to Cook ave.; to condemn property for the widening of Hazel st., from Jewett to Arlington. A resolution to construct a local sewer in Voris st., was adopted.

An ordinance to regulate the speed of automobiles and other vehicles propelled by electricity to 10 miles an hour within the city limits was referred to the Street committee.

The Street committee reported favorable to narrowing a portion of W. South st., and to changing the grades in River st., and Second ave.

Mr. Rice stated that the Goodyear Tire & Rubber Co., was not building the bridge in accordance with the agreement by which the city vacated a portion of Factory st. The matter was referred to the Bridge Co., and the Solicitor.

Chief of Police Durkin reported that 151 arrests were made in October, and Poor Director Kendall reported that expenditures in his department during the past month amounted to \$239.08.

Modern Surgery Surpassed.

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta, Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers. Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. William Warner, Gem Pharmacy, 113 S. Howard st."

BLAST.

Let Go Prematurely In Clay Bank.

Two Men Were Severely Burned.

One's Shirt Was Torn Off

And One's Ribs Were Fractured.

By the premature explosion of a blast of giant powder at the Webb clay banks, one mile west of Mogadore at 9 o'clock Tuesday morning, John Higgins and John Kline, both of Akron, were seriously burned. The blast had just been prepared and the men were tamping it when in some way the powder ignited. Higgins' shirt was torn off by the explosion and he was painfully burned about the face, head, hands and body. Kline was also badly burned and one of his ribs was fractured. Other workmen called help and the men were made as comfortable as possible until Parks' ambulance arrived and removed them to their homes, 106 Johnston st., and 602 Mill st., respectively. Higgins is 32 years old and Kline 36. Both are married.

TOWN WAS

WIPE OUT.

Disastrous Fire In Small Louisiana Place.

New Orleans, La., Nov. 5.—(Spl.)—Fire broke out in the rear of a restaurant at Jennings, Calcasieu parish, Monday morning and consumed almost the entire business portion of the town.

Jennings is the place where the oil gusher was brought in a few weeks ago, and the town of several thousand inhabitants was crowded with oil prospectors from all parts of the country. The principal hotel was burned, much to the inconvenience of the strangers. The loss will amount up into the hundreds of thousands.

HIS WHISKERS.

To Modify Annoyance Kepler Sacrificed Them.

One of Huston Kepler's grandsons is an iconoclast. He waded into the countenance of his grandsire a few days ago with a pair of scissors and when time was called, the last vestige of hair on the gentleman's face was missing except a closely cropped ornament in his upper lip. Mr. Kepler consented to the vandalism because
